DIAMONDBACK ENERGY LAUNCHES \$250 MILLION TACK-ON OFFERING OF SENIOR NOTES

Midland, TX (January 24, 2018) – Diamondback Energy, Inc. (NASDAQ: FANG) (“Diamondback”) announced today that it proposes to offer, subject to market conditions and other factors, \$250.0 million aggregate principal amount of its 5.375% Senior Notes due 2025 (the “New Notes”) to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and to certain non-U.S. persons in accordance with Regulation S under the Securities Act (the “Tack-On Offering”). The New Notes will be issued as additional securities under the indenture, dated as of December 20, 2016 (the “Indenture”), under which the Company issued \$500.0 million aggregate principal amount of its 5.375% Senior Notes due 2025 on December 20, 2016, all of which were subsequently exchanged for substantially identical notes in the same aggregate principal amount registered under the Securities Act (the “Existing Notes”). The New Notes and the Existing Notes will be treated as a single class of debt securities under the Indenture.

Diamondback intends to use the net proceeds from the Tack-On Offering to repay a portion of the outstanding borrowings under its revolving credit facility.

The New Notes will not be registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from such registration requirements.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy these securities nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.
